| 30 | option (1) | option one is correct, because a horizontal co-ordination takes place in the equal level of executives and officers. Therefore Departmental Heads (not head), Supervisors and Co-workers (not workers) are at par. The question is with in syllabus for clear cut answer. |
| 54 | option (2) | option two. Rightly so that an auditor a financial statement depicts 'true & fair view', other options are invalid, the english version is correct. |

| Question No. | Answer | Remarks/References of expert |
|--------------|---------|--|
| 43 | Deleted | The question framing in English version is wrong, as Act cannot be introduced only bill can be introduced, Act can only be enacted or enforced. Therefore in my opinion question No. 43 should be deleted. |
