The Commission disposed off 6384 applications whereas, 81 applications were rejected and 983 applications were remained pending at the end of the year. These RTI applications and appeals were disposed off within the time limit prescribed under the RTI Act, 2005.

1.6 Significant Activities

- (a) The Foundation stone of proposed New Building for confidential work in the RPSC campus was laid down on 29-11-2021.
- (b) **73rd Establishment day** of the RPSC was celebrated in the Commission's campus on 22-12-2021.
- (c) Meeting of the Standing Committee of the **National Conference of Chairpersons of State PSCs** was convened in the Commission's office on 7th January 2022.
- (d) The Updated version of **RPSC Manual Volume-I & II** were released by the Hon'ble Chief Minister, Rajasthan at Chief Minister's Residence, Jaipur on 29-11-2021 and Hindi version of Manual Volume-I was also prepared and published for office use.
- (e) Pre litigation Committee has been constituted by the Commission to minimize the litigations. Now, candidates who are not satisfied by the procedures or decisions may submit their grievance before the Committee. A separate section for this has been established in the Commission's office.
- (f) An informative magazine "**Spandan**" regarding functioning of the Commission, history, role of the Public Service Commission, innovations adopted

by the Commission and the future perspective which the Commission envisages was released on 28-01-2022 by Hon'ble Chief Minister, Rajasthan at Chief Minister's Residence, Jaipur.

1.7 I.T. Innovations

The Commission is constantly endeavoring to make its affair candidate friendly. During the year, some new innovations have been initiated, most of them are -

(a) Grievance Redressal Portal -

A Grievance Redressal Portal was launched by Hon'ble Chief Minister of Rajasthan on 29-11-2021. This Portal facilitates the candidates to register their grievance from any of the place of the state or the country without their physical presence. All the candidates can get the benefit of the Portal. The grievances are resolved in time bound basis and actions taken in the grievances are uploaded on the Portal.

(b) One Time Registration (OTR) -

On 10th January 2022, in the larger interest of candidates, the Commission launched the facility of **One Time Registration** of profile. Now a candidate has to register once only on the recruitment portal to get a unique one time registration number. The candidate has to submit basic details once using JanAadhar/Aadhar/SSO ID. The details will be saved forever on the portal which will enable pre filling of the details in future application. OTR will not only make easier the process of form filling but it also minimize the duplicate and fake applications. It is a step towards One time document verification (ODV) also.

BRIEF HISTORY AND WORKLOAD OVER THE YEARS

- 2.1 The State of Rajasthan was formed as a result of the merger of the erstwhile, princely states situated in Rajputana and Part- 'C' State of Ajmer-Merwara. At the time of formation of Rajasthan, the institution of Public Service Commission existed in only three of the twenty-two covenanting States, viz. Jaipur, Jodhpur and Bikaner.
- 2.2 The successor administration after the merger of the Princely States on 16th August, 1949 promulgated an ordinance to establish the Rajasthan Public Service Commission, which was published on 20th August, 1949 in the gazette but it came into effect on 22nd December, 1949 when notification regarding appointment of Hon'ble Chairman and Members of the Commission was issued.
- 2.3 The provisions regarding Public Service Commission for the Union and for the State and appointment & term of office of Members have been laid down in Article 315 to 323 respectively in the Constitution of India.
- 2.4 At the time of establishment of the Commission, one chairman and two members were appointed. In the year 1962, the number of members increased to 3 whereas, the fourth member was appointed in the year 1965. In the year 1985, a new post of member was created hence; the composition of the Commission became One Chairman plus Five Members.
- 2.5 Now, the number of Members of the Commission had increased to **Seven** from Five vide notification dated 27-06-2011.
- 2.6 Earlier, the office of the Commission was located in Jaipur and after 31st August 1958 on the basis of recommendations of Rao Committee, the state government transferred the office of the Commission to Ajmer. On 21st October 2000, the Commission's office was shifted to its own new building at Ghooghra Ghati, Jaipur road, Ajmer.

REFORMS IN THE RECRUITMENT PROCESS

A - Mitigating Litigations

- 8.1 Every year numerous advertisements are issued by the Commission and a large number of candidates apply for various examinations. In the course of the recruitment process at different levels, dissatisfied candidates on several grounds approaches the Hon'ble courts to get certain relief. This causes burden of litigations. With an aim to provide candidates a mechanism within Commission for redressal of genuine issues advanced by them and in order to mitigate litigations, the Commission have decided to constitute a **Pre Litigation Committee on 01.03.2019.**

The composition of the committee is as follows:-

1. Chairman - Hon'ble member (as nominated by the Hon'ble Chairman)
 2. Members -
 - i. Legal Advisor
 - ii. Secretary
 - iii. Member Secretary - Joint Secretary
- 8.2 A separate section has been established in the Commission's office to deal with the applications received from the candidates. During the year, 05 meetings of pre litigation committee were held and 75 complaints were disposed off.

Meetings and Cases dealt with by PLC in 2021-22 is given below:-

S. No.	Meeting No./Date	Number of cases in which relief is given to candidates
1	18/14.06.2021	46
2	19/31.08.2021	06
3	20/26.10.2021	09
4	21/12.01.2022	05
5	22/17.02.2022	09
	Total	75

B – Expediting the Recruitment Process

- 8.3 The Commission initiated **counseling process** in the year 2019-20 to expedite the recruitment process. Earlier Detailed Application Forms (DAF) along with copies of documents regarding academic qualifications, category, experience etc. were called by post from candidates declared provisionally successful or for interview. The detailed forms were submitted by candidates by post which used to take at least one month to reach the concerning section. This was followed by tedious and time consuming process of scrutiny of application forms. Thereafter, interviews were conducted and recommendations were sent to government.

- 8.4 To reduce the time lag between declaration of results & Interview/recommendation, the Commission initiated process of counseling in which candidates are invited personally with their documents in Commission's Office. Teams were constituted comprising officers and employees of the Commission and officers and employees of the concerned department for which recruitment is being done. These teams simultaneously perform the checking, scrutiny and verification of documents with original documents in presence of candidate himself. So that all sorts of shortcomings with regard to qualification, category, experience etc. can be resolved on the spot.

- 8.5 During the year, Commission organized Counseling for Lecturer Sanskrit Education, 2020 (various 09 subjects) and Assistant Engineer Combined Exam, 2018 (PWD Department, PHED Department, Water Resource Department and Panchayati Raj) in which a total number of 2240 candidates submitted their documents for checking and verification.

RECRUITMENT

10.1 The primary work of the Public Service Commission is to recruit/select suitable personnel for various services/posts of the State Government. So far as the matter of recruitment of competent and suitable candidates for various services is concerned, the Public Service Commissions are expected to maintain high level of efficiency, quality, objectivity and transparency. It's a challenge for the Commission to conclude the recruitment procedure in a specific time limit. There are so many stages in the recruitment process from requisition to recommendation. With the passage of time, the numbers of aspirants have also increased. To meet out the increasing work load of various examinations, technological advancement and better management tools are essential. Efforts have been made to reduce the time lag between initial point of recruitment i.e. requisition to recommendation. Recently, Online Application System through more advanced State integrated

Recruitment Portal based on Rajasthan Single Sign-On (Raj SSO) has been introduced by the Commission.

10.2 The recruitment process is completed as per the provisions as laid down in the concerning Service Rules i.t. either by Direct recruitment through Interview alone or Competitive Examination with or without Interview. In case, where large number of aspirants applies for the direct recruitment posts, the Commission conducts screening test to short list the candidates for interview. The marks secured in the screening test were not considered at the time of final selection. However, after decision taken in full commission on 24-04-2019, now the policy of awarding marks in interview having three components, has been adopted. These are:- weightage of academic performance, weightage of marks obtained in screening test and marks obtained in viva-voce test.

A- By Competitive Examination with or without Interview:

8	Balance (3-7)	11	1402

*A number of 10 posts increased whereas 07 posts were decreased in various subjects of Assistant Professor-Medical Education department after requisitions received during the year under the report.

10.10 During the year under report, after completion of recruitment process a total of 334 recommendations were sent to concerned departments for appointment. The details of

selections made relating to the above requisitions as given in Appendix VII-C (item number 1 to 25) are summarized in the following table:

Total Number of Applications, Candidates interviewed and Selected by the method of Interview

Work completed		Number of candidates		
Number of Requisitions	Posts involved	Applied	Interviewed	Selected
25	341	27020	900	334

10.11 During the year, Commission received requisitions to recruit candidates against 16642 (92.23%) vacancies to various Non-technical posts which required general graduation degree as minimum qualification. Only 1317 (7.29%) vacancies belonged to specified professional qualifications in medical disciplines and 73 vacancies (0.41%) required specified qualification in engineering disciplines. Total 11 (0.061%) posts belonged to other technical qualifications. Thus, it is clear that in the year 2021-22, the requisitions received for the post of Non-Technical posts were more than of Medical, Engineering & Technical posts. Statement showing the number of Medical, Technical and Non-Technical posts for which requisitions were received during the year 2021-2022 is given in Appendix VII-A.

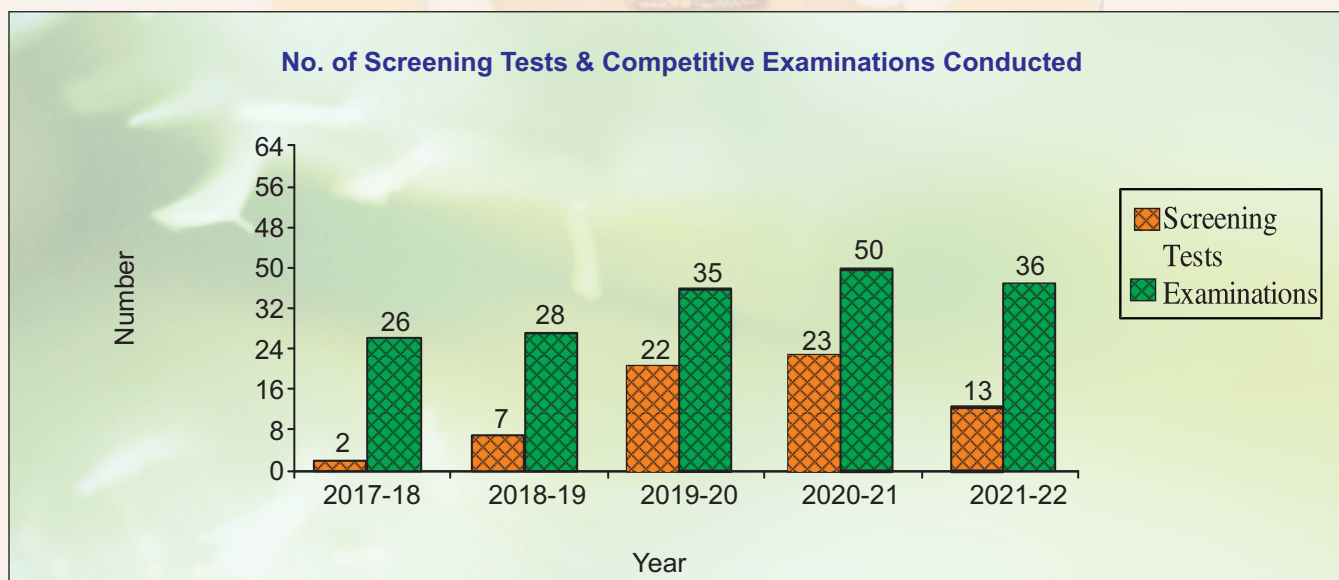

10.12 In last financial year 2021-2022, a total number of 1790 posts were advertised out of that, 1388 (77.5%) posts were Non-Technical posts. 337 (18.83%) posts were of Medical Education

Department, 53 (2.96%) posts of Engineering Department and 12 (0.67%) belongs to other remaining Technical Departments. The above analysis makes it clear that in the last financial year 2021-22, the posts which required specialized Non-Technical qualification were advertised more than that of Technical posts. Department wise/category wise break-up of requisitions advertised against requisitions received during the year 2021-2022 is shown in Appendix VII-B.

10.13 A list of posts for which requisitions were cancelled after issuance of advertisement but before Interview has been given at Appendix VII-F.

10.14 During the period under report, the Commission recommended names of 42 candidates from reserve lists. Details are given in Appendix VII-H.

10.15 **Screening Tests:** - The Commission conducted 13 screening tests for short listing the candidates in respect of 61 posts of various departments. The details of screening tests conducted are given in Appendix VII-E.

10.16 Details of posts advertised but selections not concluded during the year under report has been given in Appendix VII – D.

10.17 The posts for which Interviews were held but Candidates were not found Suitable during the year under report has been listed in Appendix VII –G.

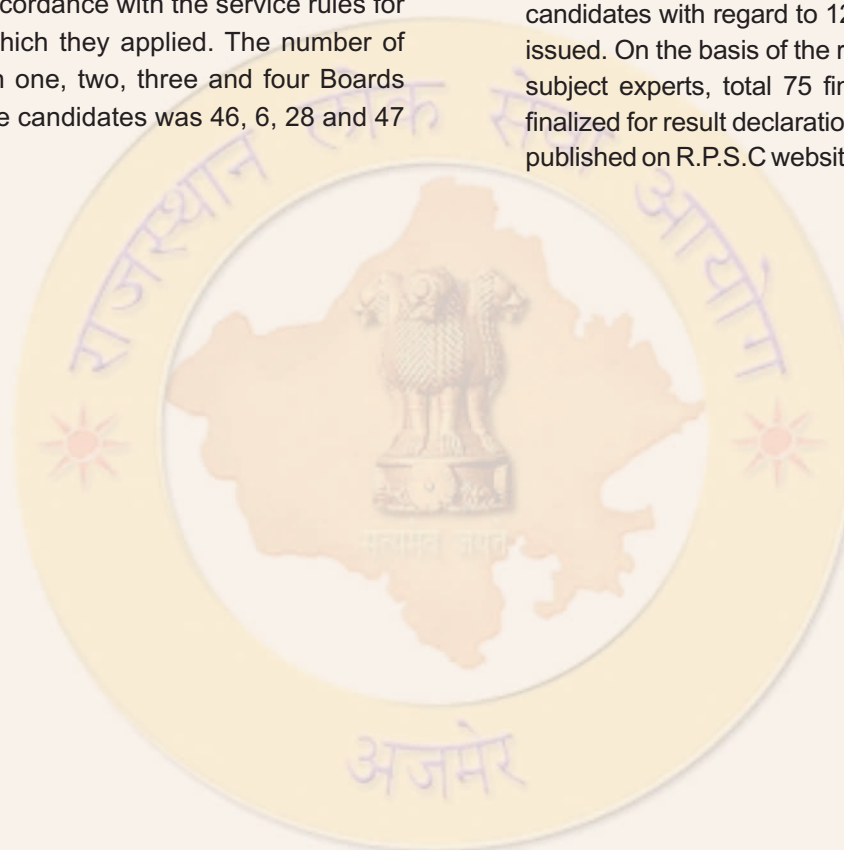

10.18 Details of posts for which advertisement issued, but no candidate applied are given in Appendix VII-I.

10.19 Details of posts for which Interviews were fixed but none of the candidates present has been given in Appendix VII-J.

10.20 **Interview Boards:** - During the year under report, the Commission interviewed 5017 candidates through 127 Boards constituted for various posts/services; out of that 4108 candidates were those who were shortlisted for interview after competitive examinations and remaining 909 candidates were directly called for interview in accordance with the service rules for the post for which they applied. The number of days on which one, two, three and four Boards interviewed the candidates was 46, 6, 28 and 47 respectively.

10.21 **Candidates debarred from the Commission's examinations-** During the year, total eight (08) candidates were debarred for certain period/forever for use of unfair means/ impersonation in examinations conducted by the Commission.

10.22 **Key Validation:-** In order to conduct the recruitment process in a transparent and efficient manner, Commission has adopted policy of issuing of model answer key, inviting objections from the candidates and assessing those through expert committees. During the year 2021-22, Commission organised 120 workshops of subject experts to examine and assess the objections made by candidates with regard to 124 model answer keys issued. On the basis of the report submitted by the subject experts, total 75 final Answer keys were finalized for result declaration and these keys were published on R.P.S.C website.

13 Chapter

EXTENSION IN THE TERM OF TEMPORARY APPOINTMENTS

- 13.1 As per the regulation 7 of the RPSC (Limitation of Functions) Regulations, 1951 consultation of the Commission is necessary for making temporary or *adhoc* appointments. The matters of temporary or *adhoc* appointments referred to Commission for concurrence have been mentioned year to year basis. The Government has also been apprised of the alarming position in regard to the cases of *adhoc*/temporary appointments lasting over 10 years with the intention that the Government might take expeditious steps for regularizing those cases. The position of *adhoc*/temporary appointments still remained unchanged. An illustrative list of long outstanding cases of such *adhoc*/temporary appointments has been mentioned in Appendix IX.
- 13.2 During the period under report, the Commission accorded their concurrence for extension in the term of temporary appointments in respect of 975 persons appointed against the posts to be filled by direct recruitment quota. The details as per has been given in Appendix-XI.
- 13.3 During the period under report, the Commission accorded their concurrence for extension in the term of temporary appointments in respect of 04 persons appointed against the posts to be filled by Promotion Quota, the details thereof have been given in Appendix-X.
- 13.4 The number of such *adhoc*/temporary appointees was 979 during the year, while it was 2659 in the previous year. It is expected that the Government will take appropriate action in order to put a check on such appointments.
- 13.5 Some of the appointing authorities have failed to furnish complete information in the prescribed performa while referring the cases of urgent/temporary appointments to the Commission for obtaining their concurrence. The result is that the Commission had to refer it back to concerned authority before considering the case for conveying their concurrence. A list of cases which remained pending during the year for consideration for want of information is enclosed in Appendix-XII.

19.5 Out of 1926 recommended candidates (including 37 candidates from outside the State), the districts that provided more than 50 per cent candidates were Jaipur, Jodhpur, Alwar, Sikar, Jhunjhunu, Bharatpur. The Jaipur district provided the highest i.e. 20.09 percent.

19.6 The above table further reveals that out of 215 (150 Males+65 Females) amongst SC candidates whose name were recommended as many as 21.39 percent belonged to Jaipur district and out

of 185 (136 Males+49 Females) amongst ST candidates who were recommended, as many as 22.70 percent belonged to Jaipur district.

19.7 The districts like Chittorgarh, Rajsamand, Sirohi and Udaipur which have significant ST's population were either totally unrepresented or provided marginal candidates. However, from other ST dominant districts such as Dungarpur and Banswara, there are total 7 representations of ST's, 4 from Banswara and 3 from Dungarpur.

19.8 **Position of women candidates in the selection:-** Out of the total recommendations, the number of women candidates recommended were 581 (including 272 General, 65 SC, 49 ST, 183 OBC, 12 MBC). The following table shows category wise position of selection of woman candidates against the posts reserved for them:-

19.11 Change of Faculty: - Change of faculty i.e. switching over from one faculty to another, after Graduation (i.e. at Post-Graduation level) has also been observed in some of the candidates. The details are as follows: -

S.No.	Change of Faculty	Number of candidates
1.	Science Graduates switched over to M.A.	136
2.	Commerce Graduates switched over to M.A.	14
3.	Arts Graduates switched over to M.Sc. (Comp./I.T.)	01
4.	B.E./B.Tech. switched over to M.A.	27

Whatever might have been the reason of such switch over from one faculty to another, but this has certainly put them in an advantageous position in having a larger spectrum of subjects to choose their optional subjects.

19.12 Rural/Urban background:- It is difficult to classify rural/urban background of the candidates and to have a clear cut classification. Thus, the place of schooling has been set as the criteria of such classification. Keeping this fact in view, it has been observed that out of 1926 recommended candidates, 1211 (62.87%) were from urban and 715 (37.12%) candidates from rural background. A long standing, reputed educational institutions equipped with better infrastructure at the Divisional Headquarters have contributed largely towards the better performance in this examination.

19.13 Employment status:- Out of 1926 recommended candidates, as many as 1030 (53.47%) were already in service, in one capacity or the other in Government or private organizations and 896 (46.52%) were unemployed fresh candidates. It reveals that experience has played an important role in the selections.

19.14 Contribution of age factor: - Age factor also continues to play a positive role in the performance of the candidates. Nearly (1627) 84.47% candidates were in the age group of 21 to 33 years.

Age group (years)	Number of candidates	Percentage

3. Dr. Shiv Singh Rathore - Date Of Birth: 10th of Feb 1972

If innovation is a mindset, it has to be cultivated with a systematic educational approach. This is quite evident with the way Dr. Shiv Singh Rathore has built up to his current position of expertise.

➤ Educational Qualifications :

Dr. Shiv Singh Rathore completed his M.Sc. in Geology from Jai Narain Vyas University, Jodhpur. First in his class and a **Gold Medalist in M.Sc.**, he then moved on to his Research work. Not one to shy away from substantial subjects, his research was based on “**Hydro Geotourism and the burning problem of rising ground water level of Jodhpur city, Rajasthan, India**”. His scholarly performance and outstanding approach towards his research subject, earned him a **Ph.D. degree** from Jai Narain Vyas University, Jodhpur.

His Erudite Research Work has been awarded Marwar Ratan. Not only this, his concept of Hydrogeotourism was **honoured by District Administration, Govt. of Rajasthan** with Appreciation Certificate on Independence Day. His research and Hydrogeotourism concept was **also honoured with Gold Medal** on Veer Durgadas Jayanti.

➤ Research Work :

Dr. Singh has made a thorough study of natural and traditional water bodies of Jodhpur city. He initiated for the very first time - the classification of Jodhpur's water bodies based on their origin, size, and characteristics amongst other discernible traits. He is credited with the very coinage of the term **hydrogeotourism in the world**.

Dr. Singh has studied various geotourism sites, geomorphites, geosites, and geoparks on an international level and concurrent with the modified Knapic et al., 2009, USA scale. He found that water bodies of Rajasthan are the most suitable as hydrogeotourism sites.

“Hydrogeotourism refers to tourism that sustains or enhances the geological and

geographical character of the water impounding place or structures being visited, including its scientific educational value, environment, culture, aesthetics, heritage and well-being of its residents. Hydrogeotourists are conscious of the environment and inclined to seek culture and unique experiences when they travel to water impounding places or structures of any area.”

This is a new segment in tourism. As such, it has a vast and untapped potential to be promoted as an extended subcategory of educational or ecotourism or destination events or royal wedding and social gathering tourism. This endeavour can directly help in:-

- The growth of tourism
- Restoration of the world famous royal heritage of Rajasthan
- Most importantly, it can help save water from contamination. The pollution level in most of these water bodies is extremely high and steadily rising. The hydrogeotourism approach will make the society more conscious towards these water bodies. Hence, it will be directly responsible for the potential increase of safe drinking water for our societies.

➤ Research Achievement :

- To solve the burning problem pertaining to critical ground water rising level and its adverse effects on the people and property of the Jodhpur city.
- Documentation and classification of water impounding structures of the Jodhpur city and their implication to hydrogeotourism and geoheritage sites.
- Reporting of heavy metals from surface and ground water of the Jodhpur city and their health hazards.

➤ Research Award:

- Marwar Ratan for the year 2015 was given to Dr Shiv Singh's outstanding research work.

- Dr. Rathore's Ph.D. and his concept of Hydrogeotourism was honoured by District Administration, Govt. of Rajasthan with Appreciation Certificate on Independence Day.
- Dr. Rathore's research and hydrogeotourism concept was also honoured with Gold Medal on Veer Durgadas Jayanti.
- Dr. Rathore's research work on rich royal heritage & water impounding structures was also honoured by "Kaivay Appreciation Certificate".
