Objective /purpose of the Public Authority: -

The R.P.S.C. is a body constituted under Article 315 of the Constitution to discharge the duties and functions assigned under Article 320 of the Constitution.

Mission/vision of the Public Authority:-

To carryout selection process for recruitment of eligible and competent candidates to various civil services and posts of the Rajasthan State in an efficient and transparent manner within the time schedule in accordance with the Recruitment Rules.

Brief History of the Public Authority:- (Rajasthan Public Service Commission)

The State of Rajasthan was formed as a result of merger of the erstwhile, princely States situated in Rajputana and Part 'C' State of Ajmer-Merwara. At the time of formation of Rajasthan, the institution of Public Service Commission existed in only three of the twenty-two covenanting States, viz. Jaipur, Jodhpur and Bikaner.

The successor administration, after the merger of the princely States, promulgated on 16th August, 1949 an Ordinance establishing the Rajasthan Public Service Commission. It provided for the abolition of the Public Service Commissions or other Institutions performing duties in the nature of those of a Public Service Commission in the constituent States. The Ordinance also provided, *inter-alia*, for the composition of the Commission and the staff and the functions of the Commission. The staff of the Rajasthan Public Service Commission, as it stood at the time of the establishment, continued as its nucleus.

In the year 1951, in order to regulate the working of the Commission, the Rajpramukh issued the following Regulations under the provisions of the Constitution of India:

- (i) The Rajasthan Public Service Commission (Conditions of Service) Regulations, 1951, and
- (ii) The Rajasthan Public Service Commission (Limitation of Functions) Regulations, 1951

By the Rajasthan Public Service Commission (Conditions of Service) Regulations, 1951, the office of the Commission was brought at par with the Secretariat of Rajasthan. The office procedure followed by the Commission was on the lines of the working of the Secretariat.

Immediately after the establishment of the Rajasthan Public Service Commission, an experienced retired Superintendent of the then Federal Public Service Commission was employed in this office as Office Superintendent in April, 1950. He established the office procedure on the pattern of the Federal Public Service Commission. This office followed the same traditions with variations from time to time, as required. Despite this, the Commission constantly felt the need of having a Manual for efficient and speedy disposal of its office work. It was therefore, decided in 1980 to take up the work of preparation of an Office Manual. The draft Office Manual was approved by the Commission in the month of August, 1980 and the office was put in motion accordingly on experimental basis. Other Public Service Commissions also showed considerable interest in the Office Manual prepared by the RPSC. A final shape was given after studying the existing procedures of working of the State Secretariat and other Public Service Commissions.

Suitable changes are made when and where necessary and the revised Manual was published in January, 1987., Feb. 2001 and recently it has been published in October 2021.
